

ACVOKE® Mini Cable Spiker

For spiking cable of up to 100 mm diameter

Cartridge powered tool for ensuring cables are de-energised prior to safely working on them

Why the ACVOKE® Mini Cable Spiker!

- High quality and durable
- Suitable for all single and multi-phase cables up to 100 mm
- Light weight at 7.5 kg
- Easy to assemble and simple to operate
- Employee safety achieved through positive remote operation by lanyard
- Re-usable
- Operating head can be rotated into three positions for greater flexibility in operator position
- Uses low cost reliable .25 cartridges
- Suitable for single and multicore polymeric cables
- Dedicated wide chisel reduces the risk of missing conductors
