## Quality Policy

1. *Accles & Shelvoke Ltd provides precision-engineered captive bolt stunners, spare parts, and cartridges, for use in meat production industries across the world, and cable spikers to provide a safe working environment for people working on high voltage power cables.*
2. *To fulfil this mission we are committed to understanding our clients' needs and fully satisfying their requirements, as well as complying with relevant laws and regulations, and any applicable codes of practice, as they affect our services.*
3. *To help us achieve these aims, we have implemented a Quality Management System (QMS) complying with the international standard ISO 9001:2015.*
4. *We are committed to continually improving the effectiveness of our QMS and have set and will measure performance against relevant measurable quality objectives.*
5. *This policy is periodically reviewed to ensure its continuing suitability and is communicated to all members of staff and any associates and/or sub-contractors working on our behalf, through induction and general awareness training.*
6. *It is displayed in strategic locations throughout the company, including the reception area, and in the company website, making it fully available to all interested parties.*
